

HOPE JONES SAVES THE WORLD

How much plastic do you have at home?

Do you want to do something about plastic pollution like Hope? Go on a plastic hunt around your home and record how many plastic objects you can find in each room.

How many of these objects are thrown away regularly? Can you think of some alternatives and solutions to reduce the amount of plastic that your family use?

Take a look at page 38 of the book to see some of Hope's ideas.
